

# PoliLam

As you journey with us through the pages of our collection, we want our passion for design, interiors, and life to resonate and inspire. At PoliLam, we recognize that our surroundings have the power to energize, to motivate, to calm, and to comfort us. We understand that the only approach to true design is to get out into the world and experience it for ourselves.

The world—including the world of laminates—is changing. At PoliLam, we strive to be innovators in our industry. We create a quality and design-driven product, with as little environmental impact as possible. We take pride in carefully researching and selecting each of our exclusive designs. We marvel at nature's wonders, and we recreate what we see without diminishing it.

At the core of our philosophy is a focus on three things: the importance of color to generate emotion; the importance of texture to emphasize quality; and the importance of culture to bring it all together.

Color. Texture. Culture.

当我们一起浏览PoliLam的产品时,我们希望花色设计、室内设计和生活的热情能够彼此鼓舞并产生共鸣。在PoliLam,我们意识到周围的环境拥有一种魔力,它可以不断地激励、促进我们,让我们更加坦然的面对生活,让生活变得更加舒适。所以,找寻到真正设计的唯一方法就是走进世界,亲身体验。

世界(包括耐火板的世界)正在改变。在PoliLam,我们努力成为行业的创新者。我们正在创造一个以设计驱动为灵魂的高质量产品,并尽可能减少对环境的影响。我们为研究和选择每个独家设计而感到自豪。我们惊叹于自然界的奇观,并且在破坏自然的情况下复原了我们所看到的事物。

PoliLam始终坚持三大哲学理念:色彩与情感产生的重要性;触感与质量的重要性;以及文化与产品融合的重要性。

色彩 . 质地 . 文化

A photograph of several orange slices on a dark, wet surface. The surface is covered in numerous water droplets, creating a textured, reflective effect. The orange slices are bright yellow and appear fresh. The background is a dark, almost black, surface that contrasts sharply with the bright orange of the fruit.

## **ACE Surfaces<sup>®</sup>** 艾斯表面<sup>™</sup>

---

### **Bring Nano Tech to Your Surface**

We introduce electron beam technology for one simple reason: to reduce life's trivial strains to improve our end-users' quality of life. **ACE Surfaces<sup>®</sup>** are the surfaces of the age. Their fingerprint resistance makes cleaning a breeze. Most importantly, low formaldehyde emissions contribute to a healthy lifestyle for ourselves and the environment.

### **纳米级表面材料**

我们引入电子束固化的目的是减少生活中的琐事,改善人们的生活质量。即使在使用率高的地方也一样,不留下一点痕迹。  
艾斯表面<sup>™</sup> 是我们时代的超哑表面。  
自我修复让它几乎不需要维护;耐指纹让清洁变得轻而易举;  
低醛释放也让生活变得健康绿色。

A misty forest with tall, thin trees and sunlight filtering through the canopy. The scene is serene and atmospheric, with a soft, golden light illuminating the scene. The trees are dark against the lighter background, and the ground is covered in fallen leaves. The overall mood is peaceful and contemplative.

*Look deep into nature,  
and then you will understand  
everything better.*

*Albert Einstein*

# WOODS

---

## **Pay Respect to the Trees**

Our Woods collection is inspired by this incredible source of life. Majestic in size and graceful in aesthetic, trees are the lungs of our Earth. At PoliLam, we honor them by faithfully replicating their brilliance and elegance. No two wood grains are ever the same—they are uniquely different and beautiful in every grain.

Trees are an inspiration. An inspiration that we strive to recreate, without diminishing. We pay homage to the trees and thank them for the air that we breathe.

## **向树木致敬**

灵感给我们的生活带来启发。树木，宏伟壮丽，充满美感，是我们地球的肺。我们通过重现树木的辉煌和优雅来尊敬它们。没有任何一种木纹与另一种木纹完全相同，它独特而美丽。

因此，我们选择复制大自然的木纹，而不是破坏。  
向树木致敬，感恩我们呼吸的每一口空气。

# PATTERNS

---

## Objects of Life

Humans are planners, designers, and creators, taking inspiration from the patterns around us. We use patterns to create language, we use patterns in the sciences, and we use patterns in aesthetics. Humans adapt and manipulate the patterns that they see in the natural world, as well as those they see in the artificial world.

Our stunning Patterns collection includes marble, concrete, terrazzo, denim and fabric, tempered steel, metallic industrial looks, weaves, grids, waves, paisley, abstract, and more. It combines visual as well as textured patterns.

PoliLam is constantly responding and adapting to the changes that are happening in the world.

Nature changes, architecture changes, tastes change. And so do we.

## 生命的对象

人们建造的城市和创造的艺术是建立于他们所看到的艺术品。纹理和语言一样，可以帮助我们在设计、科学、建筑和艺术方面彼此交流。

人们总是习惯于使用已有的以及人造的纹理。但是世界总是在变化，而纹理也在不断变化。

在PoliLam的花色体系中，我们结合了视觉和自然的形态，收集了令人惊艳的大理石、水泥、水磨石、牛仔布和织物，还有钢铁、工业金属、编织、网格、波浪、羽状以及抽象纹理等等。

室内设计的变化是随我们世界的变化而变化。

A vibrant, colorful hallway with a rainbow gradient of vertical bars and a wooden floor. The bars transition from dark blue on the left to bright yellow on the right. The floor is made of light-colored wooden planks. The overall scene is bright and cheerful, with a strong sense of depth and perspective.

*I prefer living in color.*

*David Hockney*

# SOLIDS

---

## The Subconscious Effect of Color

Color has a powerful effect on our brains. It appeals to our senses and impacts our emotions. It is the simplest, yet most important aspect of our engagement with our surroundings. Color has the power to set the mood, to attract attention, to influence, and to persuade. We can transform and perfect our environment using color—stronger shades can stimulate us and softer ones can help us unwind.

We believe in a mindful approach to color. Be aware of the colors you choose to surround yourself with, and how each color makes you feel.

## 颜色的情感

颜色是我们的第一感觉。

颜色会在身心上影响我们。它是最直接的,也是最重要的。颜色会影响心情,也会引起注意;会决定你的感受,也会营造一种氛围,它可能温暖、优雅或是宁静。

我们的环境需要颜色,强烈的色彩,会激发我们的活力。颜色是强大的,它可以左右人们的思维,改变我们的行动,影响最终的结果。关注生活周围的颜色,靠近它,体会它,选择它,所以我们精心准备,希望为您的世界增光添彩。

# LAVA Board

## Additional Safety for Interiors

Our LAVA Board has a Class A fire rating. It guarantees to protect your interiors from one of nature's most destructive elements.

In addition to LAVA Board's certified safety feature, our collection emphasizes sleek, practical, and contemporary design. Our non-combustible, fireproof wall panel is the perfect solution for those spaces that need it most: hospitals, schools, restaurants, and more.

A wise man would never underestimate the power of Mother Nature.

## 室内设计的多层保护

熔岩板拥有A级防火性能，在火灾中更能保护我们的室内空间。

一种不可燃的防火墙板。

除了需要考虑安全性，美观因素也不可或缺。

熔岩板可以为医院、学校、酒店等提供完美的空间解决方案。

智者永远不会低估自然母亲的力量。
